1. After the parade on 1 May 1949, a fighter unit of four small formations was observed taking off in GDYNIA (Q 55/Y 44). The planes, flying in wedge formation and showing good flight discipline, disappeared behind the OKSYWIE (Q 55/Y 44) hills. One small formation was seen circling the port of GDYNIA; the aircraft which had not retracted their wide landing gears, resembled Spitfires.
